

H-STYLE BUTYL GASKET

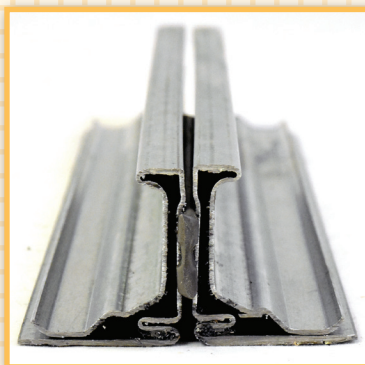

H-Style Butyl Gasket from Duro Dyne has a special 'H' shaped pattern to provide 4 points of contact to the metal, for a secured air tight seal. Dark gray in color and comes in 30 ft rolls.

Four points of contact on the metal

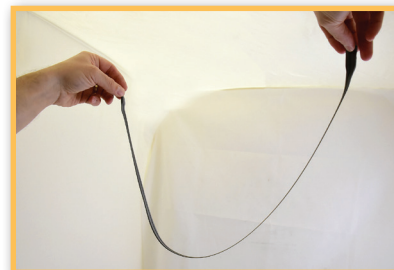

BEFORE

AFTER

Features:

- Special "H" shaped pattern
- UV Resistance
- Excellent sealant for HVAC, as well as many others industries
- Non-irritant: No limitation to eyes or skin as listed in CFR, Title 16, "Appraisal of the safety of chemicals in food, drugs, and cosmetics"
- Remains pliable and will not crack or separate while being applied at low end of temperature usage range; when stored in warehouse conditions, it will remain useable for a prolonged period
- Chemical Resistance: Excellent resistance to water, alcohols, mild acids and bases

Product remains pliable & flexible
